presented by

## THE SENIOR CLASS

The North Shore Country Day School

Winnetka, Illinois

In appreciation for their interest, assistance, and enthusiasm,  
the Senior Class of 1963 dedicates the Mirror to

Mr. and Mrs. William W. Talley.

The purpose of the 1963 MIRROR is to portray the atmosphere of The North Shore Country Day School. In order to achieve this objective, it seemed most suitable to divide the book in terms of a day. Eight twenty-five brings an assembling of people and thoughts. At ten-thirty, the auditorium provides the students with a place where the whole school gathers to listen, sing, or act. Morning Ex is one of the times for "out-of-the-classroom learning." Later in the day, varied activities, such as Student Council or Drama Club provide for individual interests. At three-thirty, a new phase of interests is pursued through athletics. A unique part of North Shore is the close relationship a student has with the school. The fifth division of the day is not a specific time, but rather countless hours of participation.

The Editors

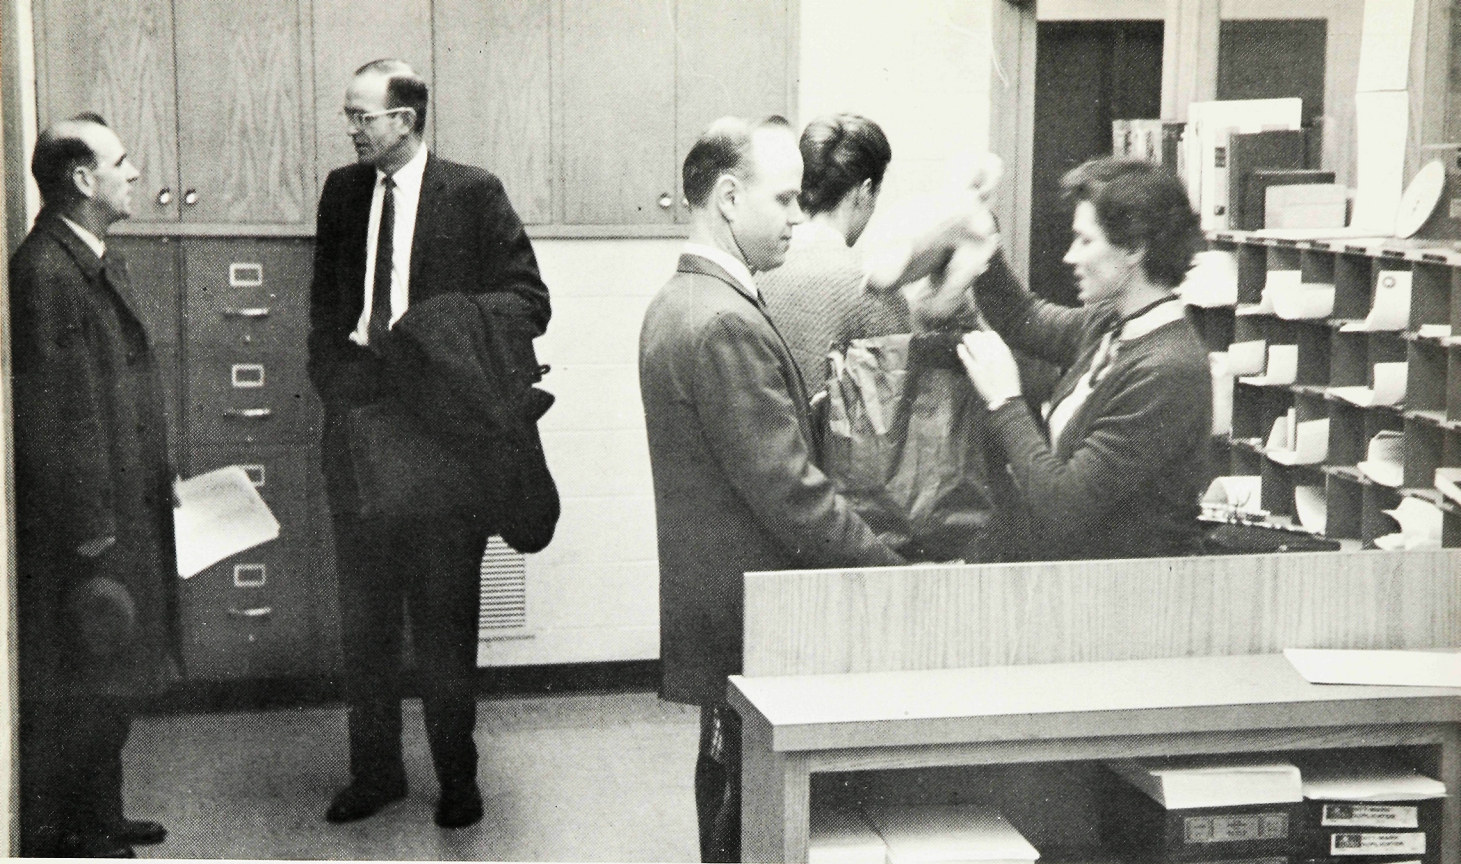

The students' horizons are extended by experience,

and experience is achieved through participation.

### Stopping By The Woods On A Snowy Evening

Whose woods these are I think I know.  
His house is in the village though;  
He will not see me stopping here  
To watch his woods fill up with snow.

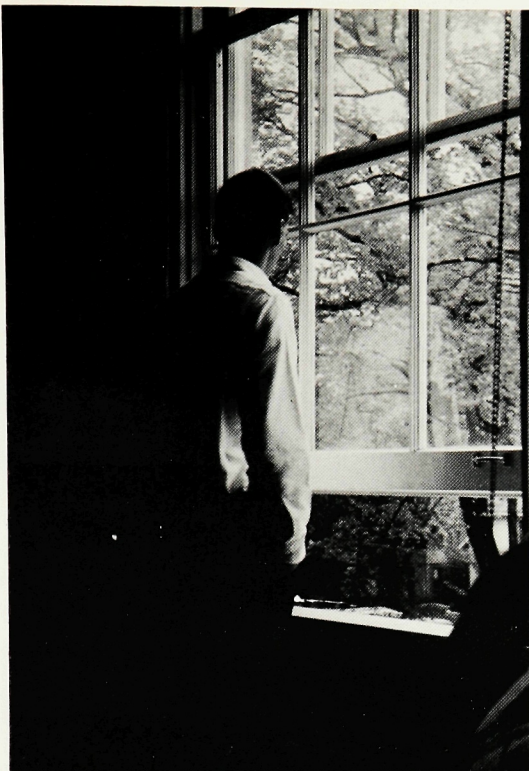

My little horse must think it queer  
To stop without a farmhouse near  
Between the woods and frozen lake  
The darkest evening of the year.

He gives his harness bells to shake  
To ask if there is some mistake.  
The only other sound's the sweep  
Of easy wind and downy flake.

The woods are lovely, dark, and deep.  
But I have promises to keep,  
And miles to go before I sleep,  
And miles to go before I sleep.

## Purple and White

FIRST ROW: John Hickey, Debby Strong, Sherry Fitzmorris.  
 SECOND ROW: Barb Schilling, Nancy Scribner, Mitch Siskind, Tom Moore, Helen Geraghty.  
 THIRD ROW: Ralph Basile, Rennie Knopf, Chris Lunding, Lee Durham, John Darrow, Jeff Alsdorf.

It is the aim of the Purple and White to reflect and develop the student opinion at North Shore. This is accomplished through the publication of articles concerning school conditions or problems, presumably with the emphasis on how they can best be resolved. Creative writing, humor, and cartoons also are frequently published.

This year the Purple and White was reorganized with the aim of providing a more efficient system of producing printable material. In past years the paper was run on a co-editor system; this year a seven member "editorial board" was instituted in order to spread more effectively the responsibilities of the paper. The new system should also give more students a chance to participate in the production of the paper than was previously possible.

THIRD ROW: Bob Wilcox, John Darrow, Jeff Gardner.

During the school year, at the time of midyear elections, a controversy arose concerning the role which council played in student life. Some believed that council should be given more power, while others felt that this ran against a basic principle of our school: that we govern ourselves on the honor system. Those who participated in, and especially those who started controversy, believed it was beneficial because it made the students more aware of government and their responsibilities as members of the student body.

## Girls' Athletic Association - Second Term

FRONT ROW: Shelly Denson, Barb Bradford, Susie Merrick, Sandy Coburn.

BACK ROW: Jean Gillispie, Jan Miller, Kathy Culbertson, Liz Olson, Nat Osgood.

The purpose of G.A.A. is simple in statement but complex in accomplishment. The organization's purpose is to support, assist, and contribute to North Shore by the various activities of the girls.

The year began with a kickoff luncheon where the Freshmen were introduced to their Senior sisters. The initiation of the girls consisted of part of the responsibility of this year's successful homecoming. Other projects that have been undertaken are bake sales, a slave auction, and assistance to the teachers. There is an annual party in the Spring which generally creates chaos and fun, and the year is ended with a banquet. (The Senior boys, I might add, loyally serve us.) Here the year is summarized and the new officers and cheerleaders are announced.

G.A.A. is an organization with great potential. It has accomplished many things, yet there is no limit to what it can do. The girls of North Shore are the organization. The will belongs to the girls; the way is G.A.A.

**TEEN-AGE TEN COMMANDMENTS**

1. Stop and think before you drink.
2. Don't let your parents down, they brought you up.
3. Be humble enough to obey. You will be giving orders yourself some day.
4. At the first moment turn away from unclean thinking.
5. Don't show off when driving. If you want to race, go to Indianapolis.
6. Choose a date who would make a good mate.
7. Go to church faithfully. The Creator gives us a week. Give Him back at least an hour.
8. Choose your companions carefully. You are what they are.
9. Avoid following the crowd. Be an engine, not a caboose.

## *Through the Passing Years*

It is with pride that once again through the medium of photography we have been able to fashion a graphic record of your school year - a pride stemming doubly from the knowledge that herein not only have we helped to create a record of so much meaning to each of you, but in so doing we have had the opportunity to share warm pleasant associations with so many.

Always, as years pass, this record will have a special place in your heart for it will be the visible token of the wonderful experience of your growing years, rich in the foundation of true and lasting friendship.

Our heartiest congratulations to all!

Cordially,

John Howell and Craftsmen

# BEGIN!

Lose this day loitering. 'twill be the same old story, tomorrow, and the next day more dilatory. Each indecision brings its own delays, and days are lost lamenting o'er lost days. What you can do, or think you can, Begin it. Boldness has genius, power, and magic in it!
